

KUUS-HUKKALA

FOCUS ON YOUR BUSINESS AND LET US TAKE CARE OF THE REST

At the holiday village Kuus-Hukkala we are devoted to make you enjoy your stay. We focus on all-round services and the needs of our customers. Guided by our customer's wishes we are constantly investing in new services. Familiarise yourself with Villa Hukka; each detail in its services is designed to provide our guests with pleasant experiences.

We offer you the keys to a successful event

We offer quality, flexibility and ease of organising events for groups. Villa Hukka represents a new standard and functionality as a venue for organising your company's event. Our experienced personnel will organise everything, from planning your event to transportation. The service range available includes accommodation, programme for your event and culinary pleasures including appropriate wines. We take responsibility of the whole event down to the smallest detail.

Enjoyable accommodation

In holiday village Kuus-Hukkala you will find 13 individualistic cottages. In Villa Hukka, which is specially built for business use, you will find accommodation facilities for 20 people, including seven separate bedrooms, all with private bathrooms and showers. The rooms are equipped with broadband Internet access, audiovisual equipment and flat screen televisions which double as PC displays.

In the courtyard area of Villa Hukka there is a summer kitchen, a lakeside sauna and garages. There is also a smoke sauna and the main building of the holiday village has its own sauna department. In addition to our existing holiday cottages we are currently building new, high-grade accommodation facilities into the area. Also our popular campsite for caravans is available for use around the year.

Come and feel the atmosphere and enjoy our services

The restaurant of the holiday village Kuus-Hukkala is fully licensed to serve alcoholic drinks. There is also a minimarket. Our atmospheric dance arena offers you moments to remember. In case you would like to have an active holiday, we offer a wide range of activities including nature treks, trips to the old countryside, jeep safaris etc.

The Lake Kolkonjärvi offers excellent possibilities for fishing. We catch vendace, the local speciality, as well as bigger fish on our fishing trips around the year. During the winter skiing, ice-skating, snowmobile rides or rally racing offer you unique experiences. Get acquainted with our services on the Internet at www.kuus-hukkala.com or ask for our seasonal brochures.
